HUDUMA NAMBA REGISTRATION

1. HUDUMA NAMBA is a programme for integrated biometric registration of ALL Kenyan citizens.
2. Applications are done online through the link <https://diaspora.hudumanamba.go.ke> where you have to first create an account to access the online registration form. On completion of the registration, you will receive an email confirming your registration with the following details:
 - I. Reference No.
 - II. Document No.
2. Children will also be registered, however, biometrics will not be taken for those under six (6) years. Use the account you created above to register children independently. Each child will have their reference and document number.
3. Physically present yourselves to the registration officer for biometrics to be captured with your original documents i.e passport, Kenyan ID, birth certificate. Children **MUST** also be present.
4. For further information or clarification, please contact us at consular@embassyofkenya.it Tel +39068082714/7/8
